- 1998- 2003 **M.D.** St. George's University School of Medicine, Grenada, West Indies.
- 1984-1987 **M.S.** Northeastern University College of Engineering, Boston, MA. Mechanical Engineering. Concentration in fluid dynamics, heat transfer and computational modeling.
1982. **B.S.** Boston University College of Engineering. Mechanical Engineering.

#### MEDICAL LICENSURE

New York State Medical License# 246565

New Jersey Medical License# 25MA08667100

DEA# FC0618516

#### BOARD CERTIFICATION

ABPN certificate # 63940

#### RESEARCH AND DEVELOPMENT

- 1998 **Engineering Intern.** BARD Cardiology, Billerica, MA.  
Research and development of myocardial implant device to stimulate new vessel growth in ischemic heart tissue. Developed test protocol for animal study, wrote manufacturing specifications. Acted as liaison between engineering team and surgeons, pathologists, and machinists.

#### PUBLICATION

Corvari S, Reed G, and Parece A. **Comparison of Engineering and Statistical Methods in Residential Energy Conservation Program Evaluation.** San Diego Residential Building Conference Proceedings. 1993.

#### PRIOR PROFESSIONAL EXPERIENCE

- 1990-1994 **Senior Energy Consultant.** Xenergy, Inc., Burlington, MA.  
Designed energy conservation programs for electric utility clients. Wrote project proposals, managed project budgets and manpower. Interacted with clients, wrote final reports and gave final project presentations.
- 1986-1990 **Software Engineer.** Computervision Corp., Burlington, MA.  
Computer-Aided Design Group. Computer software tools for mechanical engineers.
- 1982-1984 **Mechanical Engineer.** Syska and Hennessy, Inc., New York, NY.  
Designed energy systems for commercial buildings.
- 1978-1982 **Ocean Lifeguard.** Atlantic City Beach Patrol, Atlantic City, NJ.  
Competitive swimming and rowing test.

### TEACHING EXPERIENCE

2010 – present **Supervising Attending.** Outpatient resident clinic. Rowan-Cooper University Hospital Psychiatry Residency. Individual supervision after each patient interaction. Group case discussion.

1997 **Adjunct Instructor.** Dept. of Physics. Stockton College. Pomona, NJ. Taught physics laboratory to class of 25 students. Presented lectures, prepared quizzes, submitted final grades.

### VOLUNTEER EXPERIENCE

1996-1998 **Emergency Medical Technician.** Northfield Rescue Squad, Northfield, NJ. Crew chief for all-volunteer ambulance company. New Jersey EMT certification.

### PROFESSIONAL MEMBERSHIPS

American Psychiatric Association

American Academy of Psychiatry and the Law

American Society of Mechanical Engineers.
