

AARON STERNBERG

WORK EXPERIENCE:

- 1/10/18-
Present **THE LISTENING CENTER** (Voorhees, NJ)
In-home Therapist—As an home therapist, I work with youth and families during an 8 week stabilization period to provide therapy, treatment planning and stability for youth and families in need. The goal is to create an individualized treatment plan for the youth during the 8-week period in order to work on their goals within the home setting. As an in-home therapist services provided include both individual and family therapy.
- 8/17/15-
Present **CENTER FOR FAMILY GUIDANCE** (Camden, NJ)
Outpatient Therapist—As an outpatient therapist for the CASTLE program, I work with individuals and families to provide behavioral support in a therapeutic outpatient setting. Working with children ages 5 to 18, it is my role to create a treatment plan individualized for that child to work on behavioral and family oriented goals. The clinical services provided include intake evaluations, individual therapy and family therapy.
- 3/1/14-
8/15/15 **COMMUNITY TREATMENT SOLUTIONS** (Bridgeton, NJ)
Staff Clinician--- As staff clinician, I work as the therapist for five youths in a group home environment for the Specialty Services program. As clinician, my role is to provide clinical services for the each youth as well as case management for each youth. The clinical services provided include intake evaluations, individual therapy, group therapy and family therapy.
- 1/14/14-
2/28/14 **COMMUNITY TREATMENT SOLUTIONS** (Bridgeton, NJ)
Behavior Specialist--- Worked as a behavior specialist in a group home for the Specialty Services program. As behavior specialist I worked alongside the youths in the program to focus on social skills, living skills and provided support as needed.
- 11/10-
1/14 **BANCROFT REHABILITATION SERVICES** (Haddonfield, NJ)
Clinical Associate—In this capacity, I serve as direct support for persons served residing in the Lindens Program at Bancroft. As direct support I am responsible for helping persons served with their daily living skills, as well as increasing their level of academic and personal achievement.

8/12-
12/13 **COMMUNITY TREATMENT SOLUTIONS** (Moorestown, NJ)
Intern—During my time as an intern for Community Treatment Solutions, I worked as a clinician in the STARS program. The STARS program consisted of adolescents with moderate developmental disabilities along with other psychological disorders. As a clinician, I worked with clients in both an individual and group setting, to meet their psychological as well as social needs. I was responsible for proper documentation of each treatment session, including progress notes.

EDUCATION:

1/14 **Master’s Degree in Mental Health Counseling**
Monmouth University (West Long Branch, NJ)

5/10 **B.S. in Psychology**—Towson University (Towson, MD)
